Focus on Superstars™ slot

The most iconic characters of NetEnt's history assemble for a party on five rows and five reels in a medium/high volatility game. Flashing lights, glowing fireworks, and endless fun culminate in limitless glamour. Bright-shining Diamond Scatters, star-embellished Wilds, NetEnt character-branded high-paying symbols and the convenient Buy Feature all support the same aim—entertaining you.

Betting

Rules

To join this excellent party of Superstars™, the player can bet in values ranging from a minimum wager of 0.10 to a maximum of 100.

Game play Superstars™ slot

The highest-scoring playing card values—10, J, Q, K, A—are rendered in colorful, elegant representations for the low-paying symbols. The high-paying symbols of this exquisite game are depicted in the familiar NetEnt faces: Finn™, Gonzo™, Miss Banks™, Space Wars™ Brute™, and Starburst™ octagram.

The Wild, pierced with stars to honor the game's protagonists, will substitute any low- or high-paying symbol to complete bet lines, except the Scatters.

The Diamond Scatters will shine brightly—if you land three or more, you will progress to the Bonus Game. (So get ready for Free Spins and the potential to enter the Final Game!)

The red Dice Scatter will replace a Diamond Scatter if it appears, only on reel 5, and will grant you a Dice roll before your Free Spins if you make it to the Bonus Game!

Buy Feature

If you are too eager to meet the stars and cannot wait any more, you can skip the line and arrive at the party as a VIP of this

96.08% RTP game! The Buy Feature, at 150x of the original bet, will take you to the Bonus Round immediately, so get ready for some Free Spins to chase incredible Multipliers.

**Bonus Game, Free Spins and Bonus Features**

The player enters the Bonus Game

with Free Spins when 3 or more Diamond Scatters land on the reels. If a Dice Scatter lands on Reel 5 before progressing to the Free Spins, the player receives a Dice throw as the first thing in the Bonus Round. You are about to enter a universe inspired by landmark NetEnt surroundings, where the Free Spin reels are enveloped in a board game, hovering in the air.

During the Free Spins, the Scatters that initiated the Bonus Game transform into random Multiplier awards and occupy the same locations on the reels as in the main game. Each Bonus Game begins with 3 Free Spins, and if a new Multiplier award appears on the reels, the number resets to 3.

The Diamond Scatter can be replaced

by the Dice Scatter symbol, which can only occur on Reel 5 in the main game. You are given one Dice roll to move the red token on the board if a Dice Scatter materializes during the Bonus Game. Dice are added to the Dice counter if they show up during the Bonus Game's Free Spins, and you can roll as many as you collect.

You will always roll

the Dice whenever you have them before triggering Free Spins. The Dice score determines the number of squares the little red token can move around the Free Spins reels in the board game environment. If you step on particular squares, you can start the below Bonus Features with the most recognizable NetEnt characters!

**Finn™ Bonus Feature**

When

flute tunes float, the cunning leprechaun, Finn™, will launch his lucky clover into the air, adding +5 to as many as up to 5 Multiplier awards on the reels, combining them into a single prize.

**Gonzo™ Bonus Feature**

As massive golden bricks drop from the sky, boosting up to 24 randomly selected Multiplier prizes on the Free Spins reels by 2x, 3x, or 5x, Gonzo™ will draw his saber from its sheath and swish around.

**Miss Banks™**

**Bonus Feature**

Up to 15 randomly-selected Multiplier rewards with values ranging from 1x to 5x of the stake will be placed on the reels by Lady Pig™, who is renowned for her love of splurging. If the Multipliers she throws on the reels land on already existing prizes, they will stack up on the reels.

**Space Wars™ Bonus Feature**

As he awards three

further respins, Brute™, the lawless little lilac extraterrestrial of Space Wars™, will create a disturbance to your device screen while operating an unidentified flying object. Additionally, he will clone three of the most significant Multiplier awards on the reels and maybe sprinkle some duplicates across his unique respins. Aren't aliens a total nightmare?

**Starburst™ Bonus Feature**

A vertical stack of three equal Multiplier

awards with values ranging from 2x to 5x will be placed on the Free Spins reels by the iconic Starburst™ Wild, the bright octagram adorned with gems.

**Extra Spin Bonus**

**Feature**

The red token must land on the square in the top-right corner of the board for

the Free Spins counter to increase to a max of 4. In addition to raising the maximum number of Free Spins to 4 until the Bonus Game is over, it will reset your counter to 4!

#### Extra Life Bonus Feature

You will earn an Extra Life, which appears as a beating heart if you are given a lot of Dice and can move the red piece all around the board. Your heart will reset the Free Spins counter to the maximum (3 or 4) when it reaches zero.

#### Wheel Game and Features

During the Bonus Game round, if you land on the Wheel with your red token on the board, you will have the opportunity to spin the Wheel for one of the fantastic features:

1 Dice, which grants you another Dice;

2 Dice, which

will give you two more Dice;

+1, which will raise the value of each Multiplier award on the Free Spins reels by one;

Upgrade, which increases the Multiplier values of all prizes on the reels when the token lands on them by adding 1x your bet to each unassigned square on the board;

Random, which will direct you to a little Wheel to spin for Bonus Features (by Finn™, Gonzo™, Miss Banks™, Space Wars™ Brute™, or the Starburst™ octagram); and the

Replay option, which will give you a ticket to allow you to replay the Bonus Feature, if you are lucky to trigger it.

#### Final Game

##### The Final Game

begins once all the reels have filled with random Multiplier awards. Except for two squares in the top-right and bottom-left corners, which will grant you Dice when landing on them, all of the squares on the game board around the reels will be given multipliers of 25x, 50x, 75x, 100x, 500x, or 1,000x.

At the Final Game's beginning, you

will have the same number of Dice you carried from the Bonus Game. Furthermore, all your remaining Bonuses turn into additional Dice. The maximum number of Free Spins and hearts will be turned into Dice. Your original Dice roll number will be doubled if you still have an unused Replay Feature golden ticket from the Bonus Game.

You will move

the token around the playing field by rolling the amassed Dice to chase incredible Multipliers.

#### Our Superstars™ tips

No trick or strategy will guarantee winning at

Superstars™, similarly to any of our video slots. Nevertheless, this star-studded game is a title of incredible feature with potential to amass massive Multipliers.

Additionally, the Buy Feature will launch the Bonus Game at 150x of the original wager, and once you are in the Free Spins round, if you are lucky to fill all the reels with Multipliers, you can have a go at the Final Game!

#### FAQ
