CASE 1:

Introduction:

Edson is a 35-year-old engineer who has always been passionate about sports, particularly soccer. He's been following the Brazilian 0 championship and never misses a game of his favorite team, Flamengo. One day, while scrolling through his social media feed, 0 he saw an ad for a sports betting website called Esportiva Bet. Out of curiosity, he decided to check it 0 out and see what it was all about.

Background:

Edson had never tried online betting before, but he had heard of people 0 making good money from it. He wanted to give it a shot, but he didn't know where to start. He 0 searched for more information on the topic and found out that Esportiva Bet was a well-known and reliable platform. He 0 decided to create an account and see what it had to offer.

Specific Case:

Edson signed up for Esportiva Bet and was 0 immediately drawn in by the variety of options available. He could bet on soccer, football, tennis, and even e-sports. He 0 decided to start with a small bet of R\$100 on a Flamengo game, just to see how it worked. To 0 his surprise, he won R\$250! Encouraged by this outcome, he continued to bet on more games, gradually increasing the amount 0 he bet.

Edson's Experience:

As Edson continued betting on Esportiva Bet, he started to notice a few things that made the platform 0 stand out. The odds were consistently better than those offered by other sites he had tried before. The user interface 0 was user-friendly and easy to navigate, which made placing bets a breeze. He also liked the variety of payment methods 0 that were available, such as Pix, bank transfers, and even cryptocurrency. Another nice touch was the minimum deposit and withdrawal 0 limits, which were very accessible.

Edson's position at the 10th level provided Edson with a variety of options. Edson changed 0 his methods after trying out a number of other platforms. The main benefit was the extra security and benefits that 0 accompanied each level. The site offered a referral plan in addition to a subscription incentive for devoted members. Edson became 0 a subscriber after discovering that

the website would pay up to 50% of the winnings of whoever he suggested. Because of this, his focus has shifted to Esportiva Bet. Plus, earning money from referrals was comparable to hitting the jackpot. It was the best bit he'd seen. Since no one enjoyed Edson bet more than him, it seemed only reasonable that he would spread the word. Overall, Esportiva Bet provided Edson with a dependable, trustworthy platform for his sports betting needs.

Insight did the Sports Bet part Edson.

It is essential to examine numerous variables when applying real-time gambling addiction that is prevalent today. New characteristics and quicker profits have significantly altered digital usage. Negative affect is one prominent feature that entails a rise in stress levels. Self-assurance, naive confidence bias, and grandiosity are some associated risky scores.

One important thing that should constantly be on people's minds is whether this new digital

pattern helps prevent dependency and problems. Through this tactic, mental addiction may be brought about by the digital medium via online sports gambling, online sports, stock trading, shopping, pornography, myriad interpersonal webs, and SNS surfing, as well as offline addiction elements. People may cope with it by maintaining discipline by preventing the urge for money, acting or speaking impulsively, acting compulsively to satisfy desires, or fantasizing up a different persona in the virtual world by imagining them being the champ. Since these criteria are not being satisfied, the vicious cycle is prolonged, raising anxiety. As a result of not getting better and using self-medication, a fresh start, new ventures and problems, challenges, etc., are continuously placed on relapse procedures since cessation has the propensity to end cycles rapidly. Better cognition also contributes to faster and better recovery. Online sportsbooks have few, if any, withdrawal signs from brains that develop an addiction to them. People need insight; if they get hooked on it, the wagering conditions for reward accessibility have been filled in a process where bookmakers always have an advantage. As long as responsibility and privacy regulations are maintained, preventability indicators rise through policy-economic control, advertising exposure restrictions, financial restrictions, gambling limits, individual sanctions, help, cessation resources, etc. But now it is easier to gamble on a smartphone than in a location away from betting shops and casinos to regulate problematic behaviors. Banning internet advertising and taking steps to educate gambling issues as being different from digital app purchasing. Freud identified some addiction when people wager. For his psychological thinking, which explains a high propensity to be hazardous. However, since gaming may begin recreationally it continues to recruit to advance and startles those with greater hazards with low risks, anxiety, and terrible past experiences. For psychology, more adverse symptomatic characteristics include having poor health, more anxiety-inducing circumstances, or being emotionally imbalanced and feeling life imbalances can become more robust psycho-socially and worsen problems, such as drug addiction. Finding the ideas can aid ward off negative ideas generated during critical phases.
