Enjoy the unique thrill of Live Roulette online at Betfair Casino. As part of our exclusive Live Casino, you can play this timeless game with a friendly dealer wherever you are and at any time.

Our Live Roulette games use the latest streaming technology to bring all the action straight to your screen. Immerse yourself in an exciting live casino setting where the dealer spins a physical roulette wheel in front of your eyes.

We offer an impressive selection of casino Live Roulette versions and promotions, with themes to satisfy newcomers and experienced players. This is just one part of our hugely popular casino, so you can switch to games like computer-generated roulette, blackjack, and slots when you fancy a change of pace.

PLAYING LIVE ROULETTE

Whether

you're a seasoned player or you have never bet on roulette before, our live games are designed to be intuitive.

Just as in land-based or digital versions of the game, you choose the size of the chip and put it on the bet you want to make. Classic options include betting on red or black, or you might want to plump for an odd or even number. Alternatively, you could bet on a single number, just make sure you are familiar with the roulette betting options.

THE DIFFERENCE BETWEEN LIVE ROULETTE AND OTHER TYPES OF ROULETTE

There are various ways to play live online roulette, but what sets the versions apart? You could say that it gives you the best of both worlds, as you get an authentic casino atmosphere with the convenience of playing with your slippers on.

Computer-generated versions have revolutionised roulette by moving it online, but live dealer games take the concept a step further. It is like having your own casino at home!

Play live roulette on your mobile phone, PC, laptop or tablet. We offer a wide range of betting limits to suit everyone from newcomers looking for some fun to high rollers with serious strategies.

At the heart of our online Live Roulette is the simple, absorbing gameplay that has made this game popular for centuries. We then cranked up the fun by making it fully immersive with themes that grab your attention.

Randomly generated results make this a completely fair and safe way to play Live Roulette in the UK. Most importantly, it is tremendous fun and allows anyone to start enjoying the unique appeal of roulette. For a better understanding of the types of roulette, our guide for beginners will help you.

LIVE ROULETTE GUIDE: RULES AND STRATEGIES

Are you keen to sample the delights of the Live Roulette table? If so, you will be pleased to see that getting started is easy.

Your first step is to set up a

Betfair account. Look for a game in our lobby and click. You are now ready to choose your stake. For the beginners out there, there are some universal live roulette tips, starting with the types of bet.

Inside and outside bets refer to a location on the table.

Inside bets are more difficult to win but offer a higher payout. You are wagering on a single number or small selection of numbers.

are more difficult to win

but offer a higher payout. You are wagering on a single number or small selection of numbers. Outside bets have a greater possibility of coming up, so the return is lower.

You can place chips on more than one bet on each game.

The type of bet you place

depends upon the Live Roulette strategy you follow and what your instincts tell you.

Will you be bold and put money on a single number or play it safer by covering the table?

Either way, the dealer will spin the roulette wheel. Once the ball comes to rest any wins will be automatically paid and you can bet another on the next spin.

WINNING

AND PAYOUTS

There are few feelings like the excitement of the ball landing in a number you predicted. In this case, the dealer awards you a win, and your account is automatically credited, according to these Live Roulette odds.

Straight up : where you

place your chip on a single number. You win 35:1.

: where you place your chip on a

single number. You win 35:1. Split Bet : two numbers next to each other on the Live Roulette wheel. This pays 17 to 1.

Tupperware, marca americana de recipientes plásticos para alimentos con 78 años de historia, se declara en bancarrota en busca de nuevos propietarios

La marca conocida por su sello "burping" patentado, ha presentado una solicitud de Capítulo 11 de quiebra en los Estados Unidos, mientras busca nuevos propietarios y trata de atraer a clientes más jóvenes.

La empresa, con sede en Massachusetts, ha experimentado dificultades financieras debido al entorno económico actual, lo que ha llevado a la presentación de la solicitud de quiebra.

La era dorada de Tupperware

Tupperware ganó popularidad en las décadas de 1950 y 1960 cuando los representantes de ventas, en su mayoría mujeres, organizaban fiestas de Tupperware para vender su gama de recipientes plásticos. Estas fiestas brindaron a muchas mujeres la oportunidad de ganar dinero extra para sus hogares con un horario flexible que no requería un trabajo a tiempo completo fuera del hogar.

El desafío de mantenerse relevante

Aunque Tupperware experimentó un resurgimiento durante la pandemia de coronavirus, ya que los clientes encerrados pasaban más tiempo cocinando en casa, ha sufrido una disminución en las ventas, ya que tiene dificultades para competir con las empresas que promocionan sus productos a una audiencia más joven en TikTok y Instagram.

La empresa advirtió el año pasado que corría el riesgo de la bancarrota a menos que recaudara fondos de emergencia.

Los ejecutivos de la empresa buscan compradores potenciales que "puedan proteger su marca icónica y avanzar en la transformación de Tupperware en una empresa digital primero, dirigida por la tecnología".

El futuro de Tupperware

La presidenta y directora ejecutiva de Tupperware, Laurie Ann Goldman, dijo: "Durante los últimos años, la posición financiera de la empresa ha sido severamente afectada por el entorno económico desafiante. Hemos explorado varias opciones estratégicas y determinamos que este es el mejor camino a seguir. Este proceso nos brinda la flexibilidad necesaria mientras buscamos

alternativas estratégicas para apoyar nuestra transformación en una empresa digital primero, dirigida por la tecnología, mejor posicionada para servir a nuestros grupos de interés".

Susannah Streeter, jefa de dinero y mercados en Hargreaves Lansdown, dijo: "La fiesta ha terminado desde hace algún tiempo para Tupperware. Cambios en el comportamiento del comprador han empujado los recipientes de Tupperware fuera de la moda, ya que los consumidores se han alejado de las adicciones al plástico y han encontrado formas más conscientes del medio ambiente de almacenar alimentos".

"Aún existe la posibilidad de que un comprador para el negocio pueda ser encontrado, pero con el plástico visto como lejos de ser fantástico entre los consumidores conscientes del medio ambiente, revitalizar la marca será una lucha cuesta arriba".

Tupperware continuará operando mientras dure el proceso de bancarrota, y Goldman dijo: "Tenemos la intención de continuar brindando servicio a nuestros valiosos clientes con los productos de alta calidad que aman y en los que confían durante este proceso".

El precio de las acciones de Tupperware ha caído más del 50% esta semana, desde que se anunció la bancarrota.
