How to Play Das xBoot Slot: Beginners Guide

Das xBoot online slot is a very easy game to play. Before you spin the reels, all you need to do is set the total bet using the control to the side of the reels. When you are happy with your bet, you simply need to click on the spin button to set the reels spinning. There is also autoplay functionality, which can be used to set up to 1000 spins in motion, complete with stop conditions. The sound can be controlled in the settings menu, and there is also a button to speed up the spins.

As noted, it is a feature-packed slot, and the features are triggered in a variety of different ways. Each of them is explained in the next section so that you can ensure you are not missing out on anything as you spin the reels of Das xBoot slot game by Nolimit City.

Das xBoot Bonus Features

The Das xBoot

slot online has a huge number of bonus features, and they can combine in various different ways to enhance each spin.

First is the xNudge Wild feature. There is a gold medal wild symbol that is four positions high. It can land on reels three and four, and when it lands partially, the xNudge Wild feature nudges the symbol so that it becomes fully visible. The one exception is during the Silent Hunter Spins when the xNudge Wild lands on reel 4 only. With each position nudged, the wild multiplier increases by +1. If you land the wilds on both reels three and four simultaneously, then the multipliers from each are added together.

The silver medal symbol will trigger the xWays feature.

It can land on reels 2 and 5, and when it does, the symbol transforms to reveal a regular symbol. This symbol will then split to become 2 or 3 instances of the symbol, thereby increasing the number of ways to win. If multiple xWays symbols land simultaneously, then they will transform into matching symbols.

The regular wild is the

mine xBomb, and it triggers the xBomb Wild Multiplier. When it lands, it will explode all regular symbols that are not part of a win, except for the bonus and other wild symbols. This creates a cascade, allowing more symbols to fall from above and fill the empty positions. The xBomb Wild Multiplier is then applied, and the payout multiplier will increase by +1 before the next cascade.

Landing three of the radar Bonus symbols

simultaneously triggers the Silent Hunter Spins feature. Players begin with 8 free

spins. Before they begin, the third reel expands to be 8 rows high, making it resemble a periscope. This not only increases the number of ways to win but also allows for special Periscope Wilds to land on that reel.

When a win is formed with a Periscope

Wild, a torpedo launch sequence begins. The periscope finds a target and shoots at it.

If the target is hit, then the Periscope wild grows up to the reel's top position and nudges down to fill the entire reel. Each nudge down increases the payout multiplier by +1, and this multiplier remains active for the rest of the feature. Furthermore, any multipliers resulting from the xBomb wilds will also remain in place. Best of all, each radar symbol that lands awards two additional spins.

Landing four of the radar Bonus

symbols triggers the Wolf Pack Spins. Once again, 8 free spins are awarded. This time, a torpedo tube appears below reels two to five, and Torpedo Wilds can then land on these reels.

When they land on reels two and five, the Torpedo Wilds drop a +1 xWays

symbol to the torpedo area, which will become active once the entire torpedo is filled.

The first time that a torpedo part lands, it awards a +2 xWays symbol. When they land

on reels three and four, the Torpedo Wilds drop a +1 xWays Wild symbol to the torpedo area, which again are activated once the entire torpedo is filled.

Once all parts of

the torpedo have been filled, the torpedo launch sequence begins, and the xWays symbols are revealed behind the torpedo in the size of the collected parts on every reel. On reels 2 and 5 they are transformed to a regular symbol and split in the number of ways that were collected from the torpedo parts. On reels 3 and 4, they are transformed to a wild and split in the number of ways that were collected.

The torpedo xWays symbol can

grow up to 9 in size. Each time that a torpedo launches, a sticky win multiplier is awarded and increases the payout multiplier by +1. It then remains in place for the rest of the feature. If an xBomb symbol lands on the reels, a sticky payout multiplier is awarded and also increases the payout multiplier by +1 for the rest of the feature.

If it lands at the same time as a torpedo part, then it will increase the xWays addition to the torpedo by +1. Finally, every bonus symbol that lands awards two more spins.

In jurisdictions where it is allowed, players can purchase the free spins. The

Silent Hunter Spins cost 75 times the bet, and the Wolf Pack Spins cost 350 times the bet.
