What are Pokemon Games?

Play the latest Pokemon Games Online now and learn how to become a good trainer in the race for Pikachu in these online games. There are few gaming franchises in the world as recognizable as Pokemon is because this is one of Japan's biggest exports when it comes to media, with the franchise having started a few decades ago with the release of a few video games, and then expanded upon its brand with manga series, a highly-popular anime television series which has had all sorts of new remakes and stories over the years, collectible cards, a viral mobile app in the form of Pokemon Go, a successful live-action movie called Detective Pikachu, and, of course, there are lots of Pokemon games online that you can play, with the best of them now being available only on friv games, right here and now!

The beginnings of Pocket

Monsters

It might feel this game has been around forever since there are multiple generations of people that have had experiences with these franchises in one way or another, but it's not such an old series, with it starting off in 1996 with the release of a double video-game by Nintendo called Pokemon: Red and Blue, which was called Pocket Monsters in the original Japanese release.

In these games, you had the chance to

become what is called a trainer, who ventures through various regions of this fictional world, where you battle animal-like creatures of different elements, and if you defeat them, they can be captured and stored into what are called Pokeballs.

Kanto is the name

of the original area in this world that you could explore, and, as a trainer, you had to battle other trainers from the Indigo League, until you have defeated the eight Gym Leaders because that is when you have become a Champion. Each Gym Leader is the boss of a gym where they raise trainers as well as Pokemon, usually with each of them focusing on one kind of pocket monster.

The many adventures of Ash Ketchum and his friends

In

the games you were the protagonist, you could choose the name you wanted to use, and then start your adventure, but this would not work for the anime series that was inspired by the Pocket Monster Games and started off not too long after the first games, in 1997, which is why we were given a protagonist in the form of Ash Ketchum, a

teenage boy who wants to become the best Pokemon trainer and wants to catch them all!

Ash is given a Pokemon called Pikachu to start off his adventures, given to him by Professor Oak, who is the grandfather of Ash's biggest rival, Gary Oak. Pikachu is hard to handle Pokemon and does not want to get into the ball, but he and Ash eventually form a bond and Pikachu becomes his main character, but it mostly never goes into the ball, but rather would rest on Ash's shoulder. Now having his first Pokemon, Ash can start his adventure to conquer the Indigo League.

In his first adventures, he

befriends a former Gym Leader called Misty, and a breeder called Brock, with the trio then venturing through the regions to capture battle trainers, while also having to deal with the various plans put forth by Team Rocket, made up of the very funny characters of Jesse and James, joined by their talking-character called Meowth, who are always hatching up schemes to steal Pikachu from Ash.

The most popular Pokemon to know about!

In addition to Pikachu, who you already met, there are many other iconic characters that kids and adults alike love a bunch, such as Charizard, who is a fire dragon-like Pokemon who can fly and can spew fire from its mouth, Bulbasaur, who is a grass one who uses its seed and veins to attack, Squirtle, a water type that can shoot water and uses its shell for defense, and Charmander completes this trio of original choices, a fire-type that can be hard to handle, but very useful in battles.

Through

training and the battles that they take part in, trainers can evolve their Pokemon to more powerful versions of themselves, gaining new and more powerful abilities, with Pikachu being famous for stopping his own evolution to keep going on adventures with Ash as himself.

The best Pokemon Games online for kids on our website

Of course, it

comes without saying, that in most of the games with Pokemon online that you play on our website you will be able to have similar experiences as Ash and the other trainers, going around the different regions to capture Pokemon, use them in the battle against other trainers and Gym Leaders, and try to become the champion!

You can play Pokemon

emulator Games online on our website too, where classic games like Emerald or FireRed can be played without needing to have a Nintendo console, or play Pokemon Go Games online where you go through the city to find new pocket monsters, virtually, since you can't really go outside right now.

For girls, we have dress-up games online, where they

can dress up their favorite trainers from the show in new outfits, or have characters from other series be dressed up as trainers. You can also find other formats such as coloring games, where you paint these iconic characters and monsters or even solve puzzles featuring  taken from this series.

No matter what you will first play on

this page, we are positive you will enjoy it greatly, so start right now to have fun with these games, like only here is possible!

Quando eles vão baixo, nós vamos alto: a mudança de tom na campanha democrata

Em 2024, durante um comício de campanha da Hillary Clinton, Michelle Obama incentivou uma maneira de lidar com os valentões como Donald Trump.

"Quando eles vão baixo, nós vamos alto", disse a ex-primeira-dama.

Mais tarde, uma vez que o slogan havia se espalhado, ela explicou que "quando alguém é cruel ou age como um valentão, você não desce ao seu nível".

Levar a estrada alta soava inspirador e possivelmente eficaz. Trump nunca parou de seus modos horríveis; mas os democratas, tendo perdido para ele pokerpass 2024, conseguiram derrotá-lo pokerpass 2024 com Joe Biden, conhecido por pokerpass empatia e decência.

No entanto você avalie isso, os democratas se sentem como um partido diferente hoje. Seu tom mudou de lofty para earthy.

Os galinhas berrendas

Quando Trump hesitou pokerpass participar do próximo debate entre candidatos presidenciais, a campanha de Kamala Harris não exatamente levou a estrada alta. Em vez disso, eles postaram sons de galinhas e emojis sobre imagens de Trump falando e perguntaram se ele estava se assustando.

Um titular do Axios resumiu o novo tom: "Provocando Trump: táticas de zombaria da campanha Harris".

A equipe digital que opera pokerpass Wilmington, Delaware, "desviou-se da campanha mais formal e decorosa Biden for President para uma campanha Harris for President mais picante e mais desumana".

E não se esqueça das piadas sobre o sofá.

Prominentes democratas, incluindo Elizabeth Warren e Tim Walz, fizeram algumas piadas sutis sobre um boato infundado de que o companheiro de chapa de Trump, JD Vance, teve um relacionamento incomum com algum móvel do sofá.

A base para essa sordida história foi desmascarada. A Associated Press não apenas verificou o boato, mas também excluiu a verificação de fatos, intitulada, No, JD Vance não teve sexo com um sofá.

No entanto, risadas e aplausos surdos se seguiram quando Warren tomou pokerpass vez, falando no convento nacional democrata sobre a necessidade de uma economia que beneficie as pessoas que trabalham: "Confie pokerpass Donald Trump e JD Vance para cuidar da pokerpass família? Dispare, eu não confiaria neles para me mover o meu sofá."

O New York Post conservador censurou: "Elizabeth Warren faz piada grosseira sobre sofá pokerpass aparente referência a JD Vance". Steven Cheung, porta-voz de Trump, se queixou ao Axios: "Atuar como crianças malcriadas não é uma estratégia política, mas é um mecanismo de enfrentamento para a campanha Harris que sabe que tem um candidato fraco incapaz de ser autêntico."

De alguma forma, acusações de imaturidade soam um pouco hilárias desta multidão, liderada por um ex-presidente que se especializa pokerpass apelidos burros e insultos cringantes, de "Little Marco" Rubio a "Sleepy Joe" Biden.

Trump às vezes tenta reivindicar o terreno alto, mas pode precisar de mais prática. No ano passado, ele postou sobre o governador da Flórida, então um rival pela indicação republicana: "Nunca chamarei Ron DeSanctimonious 'Meatball' Ron, como a mídia falsa está insinuando que farei."

Além disso, a irreverência da campanha de Harris não é realmente tão baixa. Pete Buttigieg, o secretário de transporte, que deveria ser nomeado orador-chefe, teve a resposta perfeita quando desafiado a defender a piada sugestiva de Barack Obama sobre a obsessão de Trump com o tamanho da multidão.

Eficácia do contra-ataque

Mas o que é tão eficaz esta contra-ofensiva? Depois de hesitar por dias sobre o debate, Trump finalmente concordou pokerpass comparecer pokerpass Filadélfia no próximo mês.

Sua rendição teve alguma coisa a ver com sugestões de que ele era um covarde? Qualquer relação com os berrendos galinhas cruzando a estrada baixa?

Talvez não. Mas para a campanha de Harris, os ruídos da fazenda parecem estar entregando a mensagem pretendida.
