What are Poki Games?

Poki is one of the most popular sites with free online games where children can choose what kind of games they want to play from the different categories that our friends have. One of the most important things that Poki has is that players can access games from their mobile, tablet, or even computer, and in this way, each player can continue their mission regardless of the device they use.

The games on Poki

are for boys and for girls, but the games for boys are more interesting, and among them are games with football, Minecraft, dress up, cooking, zombies, or even lego. The Poki Kids section is specially created on the site and includes the most interesting games for children, especially kindergarten, preschoolers, or those in primary school (I, II, III, IV).

Are Poki games safe?

Yes, the games on Poki are secure, they are checked manually by the team that manages the entire site and at the same time Poki managed to obtain a security certificate (SSL) that allows them to operate safely, and the connection between users and website is one of the safest.

How to play poki games?

In order to play the online games on Poki, you will have to access the site, after which you will choose which game you want to play. Indeed, there are some games that require an extra punch, such as Unity, Flash, but if you are a frequent player of online games, you will be able to install these plugins.

How to download poki games?

Unfortunately,

the games on Poki cannot be downloaded, they are only available in an online format, or from the application present in Google Chrome, Appstore, or Google Play.
