Betway Sportsbook key features

The Betway Sportsbook app is a great mobile platform for newbies and experienced sports bettors alike:

Live streaming and betting

Bettors can get in on the action as a match unfolds in real time with Betway's live betting section. Users can also live stream games directly on the platform, but a qualifying wager on the specific game is often required.

Market variety

Not only does the Betway Sportsbook app provide competitive odds on popular leagues, such as the NFL and NBA, but it also features extensive coverage on niche markets, like snooker and esports.

Early cash out

A staple of a great mobile app is an early cash out option for ongoing wagers, and Betway checks off that box as users can choose when many of their wagers conclude.

Betway Sportsbook customer support

Betway's help section is robust — not only are there answers to typical questions, but some topics even contain short video explanations. There are 15 sections to peruse, and all are cleanly laid out. Should you think of a query not answered here, you can contact the support team directly via 24/7 live chat or email whenever you like. Phone support, however, is only accessible from 4 a.m. to 8 p.m. ET.
